

SPECIES ON OFFER

DANGEROUS GAME, HOW AFRICAN HUNTING LEGENDS ARE BORN...

Step into the bushveld where plains game roam in herds. Great herds of Zebra, Wildebeest, Impala, Giraffe, Waterbuck and Baboon painting the horizon with movement and energy. A Journey into the deeper bushveld reveals a more secretive side, where bushveld species like Nyala, Kudu, Roan, Sable, Bushbuck and Warthog that offer moments of intimate discovery.

But it is the dangerous game that defines African Bushveld. The majestic trumpet of an Elephant, the deep bellow of a Cape buffalo, the bone-chilling stare of a Leopard at dusk, the grunts & splashes of a giant Hippo and prehistoric power lying silent beneath the surface a crocodile ready to strike.

THE AFRICAN SAFARI COLLECTION
HUNTING & EXPEDITION SAFARIS

PLAINS & DANGEROUS GAME

The bushveld itself is a mix of open grasslands, rocky outcrops, riverine thickets, and acacia woodlands. The African bushveld gifts all her visitors to a rich and wide spectrum of wildlife experiences. Graceful herds that roam the bushveld alongside the iconic dangerous wildlife that makes African Safaris and African Hunting so famous.

Step into the bushveld where plains game roam in herds. Great herds of Zebra, Wildebeest, Impala, Giraffe, Waterbuck and Baboon paint the horizon with movement and energy. A journey into the deeper bushveld reveals a more secretive side, where bushveld species like Nyala, Kudu, Roan, Sable, Bushbuck, and Warthog slip quietly through the trees, offering moments of intimate discovery.

But it is the dangerous game that defines the African Bushveld. The majestic trumpet of an Elephant, the deep bellow of a Cape buffalo, the bone-chilling stare of a Leopard at dusk, the grunts and splashes of a giant Hippo and prehistoric power lying silent beneath the surface a crocodile ready to strike. Dangerous game, the reason African hunting legends are born..
